PROFILE

I am a dedicated Full Stack Web Developer with nearly 5 years of professional experience in enterprise web development. I've worked with leading organizations including AXA Ireland and AXA France – Direct Assurance, contributing to digital solutions in the insurance sector. Through my own company, I've also delivered fully production-ready web applications tailored to clients' needs. Outside of work, I enjoy snowboarding, traveling with my partner, and exploring new adventures with our dog.

SKILLS

- Web Development
- Strong Communication
- Front and Back End Coding
- Databases
- Cloud Providers
- Deployment Process
- Problem-Solving
- Time Management
- Adaptability

EXPERIENCE

FULLSTACK .NET/ANGULAR DEVELOPER

AXA IT Solutions / AXA France - Direct Assurance

06.2023 - Present
